## **AUSTIN AMERICAN-STATESMAN NAMES ORIGEN BIOMEDICAL A WINNER OF THE GREATER AUSTIN TOP WORKPLACES 2024 AWARD**

**AUSTIN, 25 NOVEMBER 2024:** OriGen Biomedical has been awarded a Top Workplaces 2024 honor by [Austin American-Statesman Top Workplaces](#). This list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage LLC](#). The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few. This year, 101 companies made the list.

Beth San Segundo, President & CEO of OriGen, shared her pride in receiving the Top Workplace recognition, saying, "OriGen believes that a supportive and motivated team is the foundation of every success we achieve. Being recognized as a Top Workplace directly reflects the commitment and passion our employees bring to their work each day. Together, we have overcome challenges, and it's because of our dedicated team, that we continue to make a difference in patients' lives worldwide."

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

“We are truly honored to receive the Top Workplaces award, as it reflects the genuine feedback and experience of our team members,” said Amanda Cooper, Director of Human Resources. “At OriGen, we strive to cultivate an environment where everyone feels valued, supported, and inspired to grow. This recognition validates our commitment to fostering a workplace that not only supports personal and professional growth but also enables our employees to make a meaningful impact in patient’s lives.”

OriGen’s team is driven by a shared commitment to advancing our mission of developing innovative medical products that make a positive impact on people’s lives. We are dedicated to fostering a positive, dynamic, and inclusive workplace that provides growth opportunities while empowering employees to make a real difference. Employee feedback has highlighted numerous inspiring reasons why they love working at OriGen, including:

- “I am motivated every day by the knowledge that our efforts ultimately benefit patient care.”
- “OriGen is always looking for ways to help the community, either by donating time or organizing drives.”
- “I would recommend working at OriGen because it is a great place to learn, grow your skills, and make a difference. The culture is so inclusive, and everyone is so friendly.”

OriGen was recognized as a winner in the Greater Austin area, companies size of 150 to 499 employees. You can view our company profile [here](#).

## **ABOUT ORIGEN BIOMEDICAL**

OriGen Biomedical, Inc. is a leading producer of cryopreservation and cell culture products. Our focus is to produce a range of products to support the treatment of cancer, genetic conditions, and other life-threatening diseases. OriGen Biomedical® products are designed with the patient and user in mind, and we strive to maintain excellent customer service to ensure that patient care is the priority. Quality is the foundation of all product designs at OriGen, and each product is produced with the intention that it will improve patient health. Founded in 1997 and headquartered in Austin, Texas, OriGen is certified annually to ISO 13485 standards and regularly inspected by the FDA, MDSAP, ISO certification organizations, and our customers.
